INDIVISIBLE ON THE LAKESHORE

WHO WE ARE

We are Indivisible on the Lakeshore, a local chapter of Indivisible. By joining with other Indivisibles across the country, together we can remake our democracy into a government that represents all the people. Not just the billionaires.

**WE ARE
THE
POWER**

OUR PURPOSE

To organize, inform, motivate, and mobilize as many people in our lakeshore community as possible to resist and defeat fascism and build a democracy where our elected officials represent all of us.

OUR MESSAGE

We are the majority and when we join together, the many against the money, we will protect our freedoms, our families and our futures.

JOIN US

as we work to transform our government into a democracy that supports us all!
